Why Choose Us

The Benefits You Will Get from Cooperate with Us

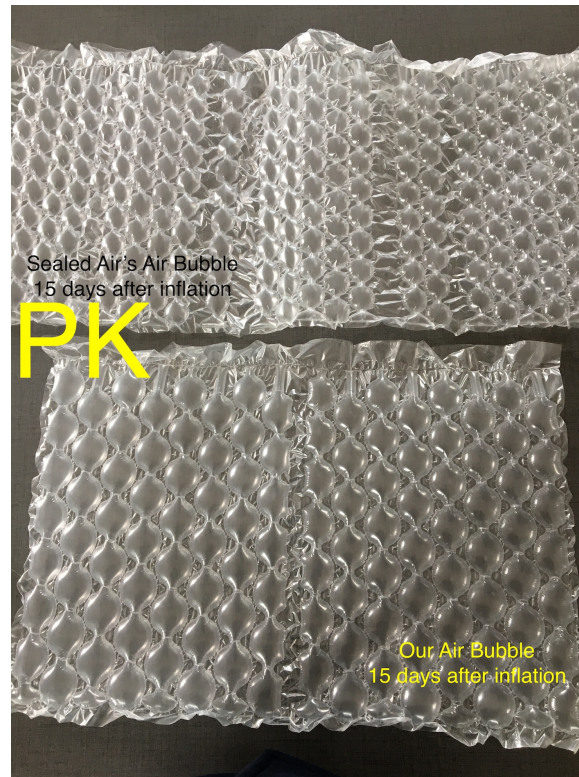

- ✓ Stable supply capacity
- ✓ Stable and reliable Quality
- ✓ Fast Delivery
- ✓ Less after-sales problems
- ✓ Have ability to develop new products
- ✓ We will help you to reduce your total cost, for example, we can produce air packaging materials (film) to match your air cushion machine and to reduce your total cost
- ✓ Honest and reliable - always consider things from the customer's position - you can trust

Our Customers

- ✓ Japan Misumi
- ✓ SEALED AIR's customers
- ✓ OEM for some brands
- ✓ 顺丰快递 SF Express

One Case

✓ The right two photos that are our test to compare the air bubble between SEALED AIR's and ours 15 days after inflation by SEALED AIR's machine (NOT by our machine), you can clearly to find our air bubble is better.

✓ Which is to say: We can use better materials to produce air bubble (better than SEALED AIR's air bubble) to match SEALED AIR's machine well to save the total cost, and we have the core technology.

✓ SEALED AIR: USA TOP brand in air packaging machine industry.

Thanks for Your Time

Looking Forward to Serve You Soon
